Thank You!
THANK YOU!

. . . to all who contributed to the Choir and Sunday School Teachers Appreciation Dinner out on the town! Not only was the food delicious, but a relaxing and very pleasant evening was enjoyed by all.

The dedication and commitment of the Choir members and Sunday School teachers is a blessing to our Church Family. Both the choir and Sunday School continue to grow!

The Sunday School children enjoyed a LOCK-IN on the weekend of June 13-14. Oh, what a great time was had by all. The children gathered in Stoddard Hall and set up camp, each child staking out his or her area to bed down. Pizza in the Lee Room was the menu for Saturday night along with various desserts. Fun and games were plentiful, and then the children rehearsed for the Children's Day program the next morning. When bedtime finally arrived, Stoddard Hall resembled a dormitory with air mattresses, quilts, and sheets and blankets turned into "tent units"!!

Many thanks to Miss Holly, Miss Dee, Mark Dorsey, and Pastor Gary who along with Miss Linda chaperoned the event. John Belanger, church custodian, was a tremendous help in getting everything set up and secure for the children. The only thing that was more plentiful than the fun had by all were the YAWNS observed the next morning . . . children AND chaperones!

OUR SYMPATHIES AS A CHURCH FAMILY ARE EXTENDED TO

. . . Elsie Nichols and her family on the passing of Herb. We all know that Herb was a fixture at Park Congregational Church and was often the "face" of the church as he would be the first person that people would see on Sunday morning and during the week. He was a member of Park Church for 55 years and he and Elsie would have celebrated their 60th wedding anniversary in October. Our prayers are offered to Elsie and her family during this time of sadness. Donations in memory of Herb may be made to the Park Congregational Church Sunday School.
